\* Multi-Family is a Business permit type for apartment and other multi-unit complexes. The permit is for the business and the fee cost is based on the number of multi-family units in units of 100. A complex with 100 or less units has a fee of \$50. A complex of 101 to 200 units has a fee of \$100 and so on. Above in the Unit number box, record the total number of units. Then for each multiple of 100 units, times by \$50 to calculate total fee owed.

I have read the completed application above and know the same is true and correct and hereby agree that if a permit is issued, I will comply with all provisions of the City's Alarm Ordinance. I accept responsibility of payment for all fees and fines that may result from the operation of the alarm serving the above alarm site address. I understand that I must renew this permit annually, unless I have relocated or the alarm system is deactivated.
